Subject: NF VALIDATION mark

Eurofins GeneScan Technologies GmbH
Mr. Christoph BAHRDT
Engesserstraße 4
D-79108 Freiburg im Breisgau
GERMANY

La Plaine Saint-Denis, January 30th, 2020

Dear Sir,

Following the positive agreement expressed on 30th January 2020, by the Technical Board of the NF VALIDATION mark (NF102), in its application to the food industry, I beg to inform you that the **extension of NF VALIDATION certification** has been granted to Eurofins GeneScan Technologies GmbH for the following alternative method:

BACGene Listeria monocytogenes

Certificate reference No. EGS 38/03-01/17, with end of validity 26th-Jan.-2021

This VALIDATION extension, performed by comparison to the reference method NF EN ISO 11290-1 (2017) and according to the validation protocol NF EN ISO 16140-2 (2016) allowed to validate the use of FastFinder software (PCR analysis platform).

A further letter will mention full conclusions and possible reservations made by the Technical Board. If reservations are mentioned, I ask you to take them into account without any delay.

Yours Sincerely.

Managing Director
Franck LEBEUGLE
